

LIFE POINTS CLASS

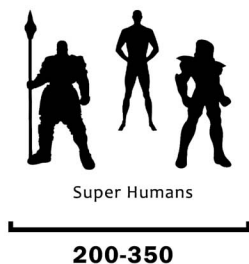

NORMAL AND SIMPLE DICE TYPE

STANDARD CLASS

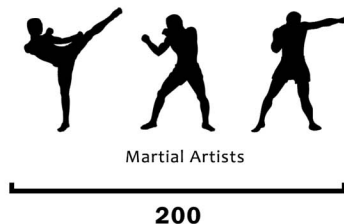

In this class, characters are ranged to match strength closest to reality. Characters must look like actual creatures from Earth. Some characters's fighting style may be based on reality, and some others characters's fighting style may be based on fantasy.

SUPER CLASS

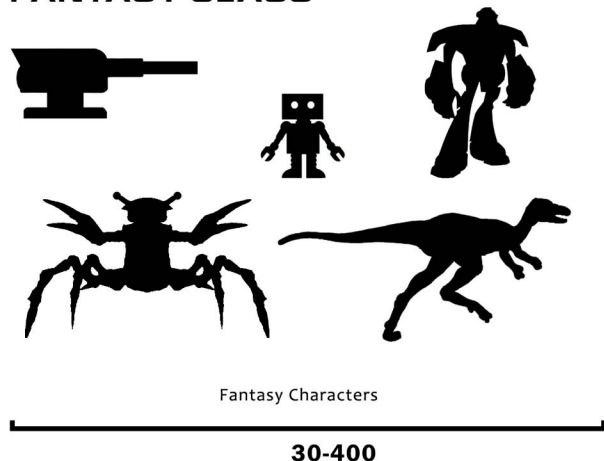

This class is for super humans with super natural power, just like super heroes.

SPECIAL CLASS

In this class, there are only Human beings. This is all about honoring martial arts. In the Standard Class, without weapon and armor, a human ranges from 30-70. However, to honor the martial art the fighter represents, humans in this class have been given favor so their Life Points become 200. You may find Boxers, Thai boxers, Kung Fu fighters, and many other type of martial art fighters.

FANTASY CLASS

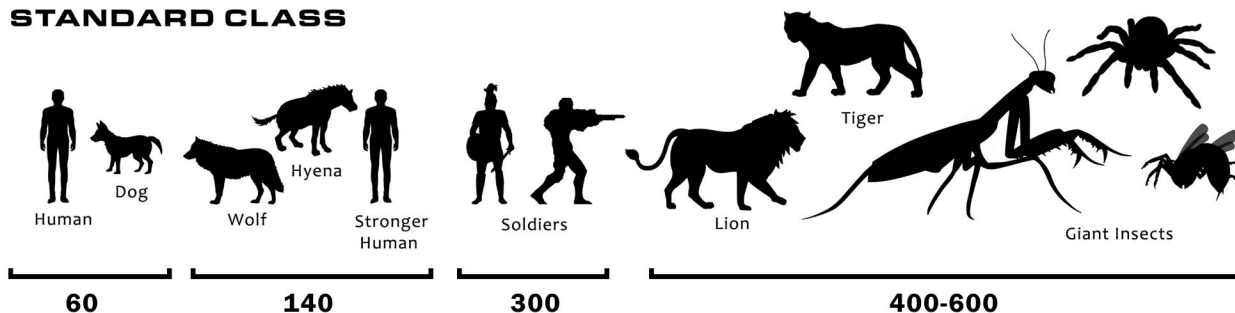

This class is for everything that look unreal, like fantasy characters. In this class, the character must not look like actual creatures on Earth. Artillery, robots, and cyborgs will fall under this class. Dinosaurs existed and android exist, but both dinosaurs and android will also fall into this class.

In this class, appearance will not honored. Strong looking characters may be extremely weak, while small weak looking characters may be extremely strong.
